PRIMEAXIS IT LLP

Delivering Trusted IT Infrastructure & Digital Transformation Solutions

COMPANY PROFILE

About Us

PrimeAxis IT LLP is a professionally managed Information Technology Solutions company established in **2026** with the vision of delivering reliable, innovative, and cost-effective IT infrastructure solutions to Government organizations, Public Sector Undertakings (PSUs), educational institutions, and corporate enterprises across India.

The company is registered as a **Limited Liability Partnership (LLP)** and is a **GeM (Government e-Marketplace) registered seller**, actively participating in Direct Purchase, L-1 Procurement, Reverse Auction, and GeM Bids.

Backed by experienced professionals and strong OEM partnerships, PrimeAxis IT LLP offers end-to-end solutions ranging from supply, installation, integration, commissioning, warranty support, and Annual Maintenance Contracts (AMC).

Our Vision

To become one of India's most trusted IT infrastructure solution providers by delivering technology with integrity, quality, and customer satisfaction.

Our Mission

- Deliver world-class IT products and solutions.
- Build long-term customer relationships through quality service.
- Provide competitive pricing with complete OEM support.
- Ensure timely execution of Government and Enterprise projects.
- Enable digital transformation through innovative technology solutions.
